Garden Visit 13th October 2024

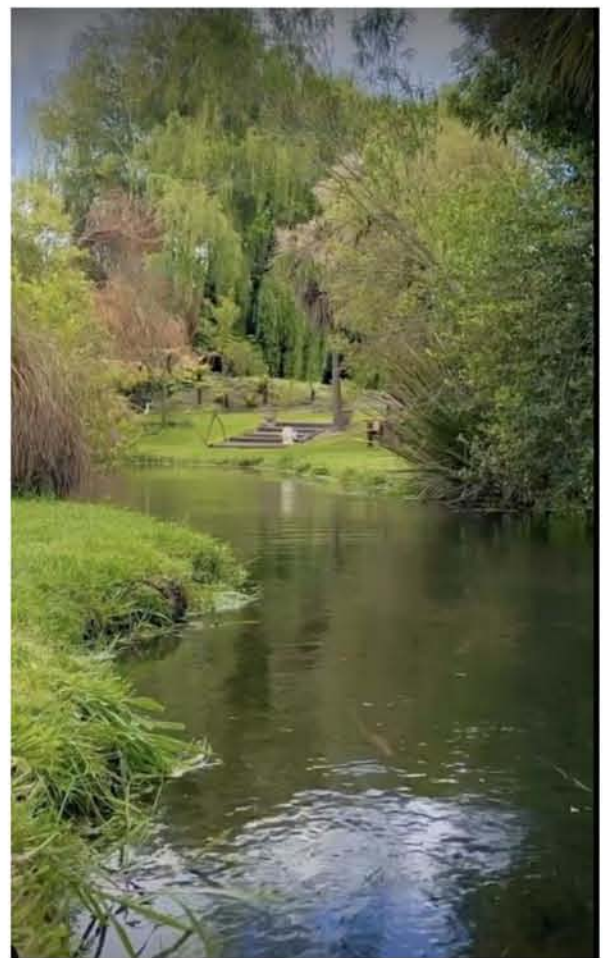

Visit to Willow Springs Garden in Marshlands:

Join us for a guided tour of a beautiful seven acre private garden in the northeast of Christchurch.

Willow Springs is the home of Chris Boon and Andrea Phillips. Since buying the property in 2009, they have transformed it into a tranquil paradise featuring large established native and exotic trees, a pond, fern lined stream and crystal clear freshwater springs fed by an underground aquifer.

The ornamental garden contains rhododendrons, azaleas, camellias, and maples. Chris relocated many of these mature plants from the gardens of residents forced out of the Red Zone after the earthquakes, creating a truly unique and meaningful Christchurch garden.
