

Passionate about plants?

The Friends of the Botanic Gardens are looking for enthusiastic volunteer guides for 2025!

Join a supportive team of like-minded folk who love to learn and share their knowledge.

Whether you're a seasoned gardener, a storyteller, a history buff or just keen to try something new, we'd love to hear from you! Full training is provided.

Come along to our information evening to meet the team and learn about the role.
